LOG 1974

Luther North
5700 W. Berteau
Chicago, Illinois

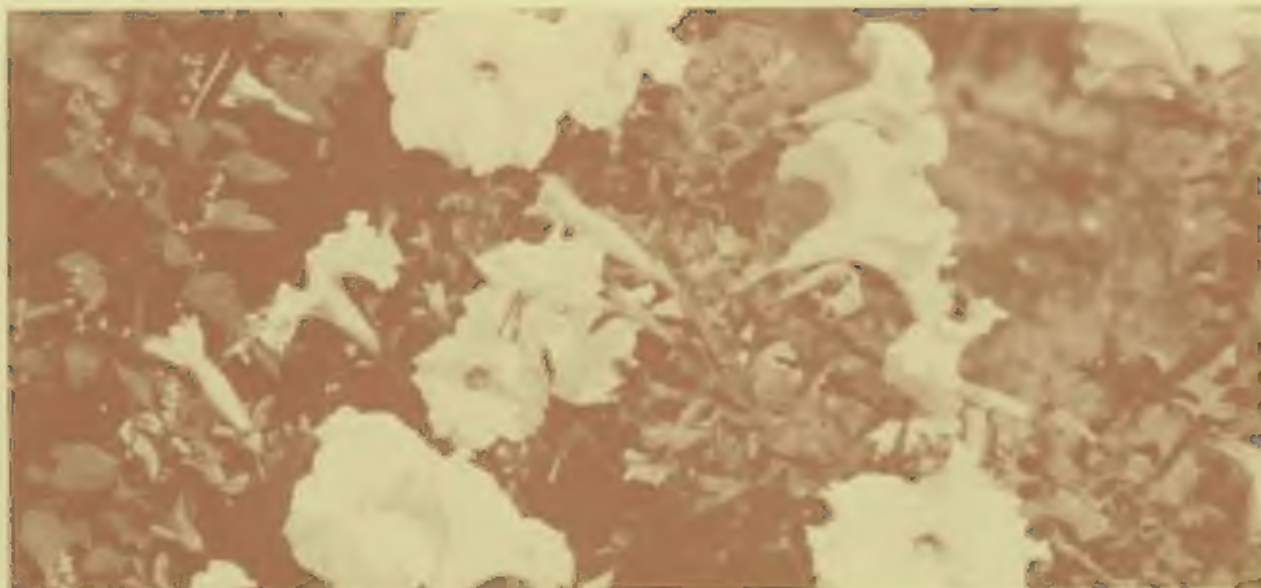

*Log '74 finds Lutherites more and more aware of and
alive to Nature . . .
enjoying lazy hours in Portage Park and on a campus
where a beautiful fall lingered into mid-December.*

Summer's Over . . .

. . . and registration begins. With fresh determination Lutherites return to their studies.

...celebration

Homecoming '73

Coaches harangue, bands and cheerleaders rehearse, and committees plan far into the night.

Homecoming at Luther is a new and exciting experience each year. This year's theme, Nostalgia, suggested by our twentieth anniversary, sent students to attics and old trunks, preparing for the '50's dress-up day. The winning spirit was strong as they danced through the halls in tight sweaters, flared skirts, slicked-back hair and leather jackets.

Tears And Cheers

V-I-C-T-O-R-Y!

Varsity

There is a figure looming to the left, another to the right; they're getting closer and closer, suddenly - total blackness. This is the life of a varsity football player. Cuts, bruises, and broken bones, along with pain in defeat and pride in victory, are all part of the game. After months of intensive practice, tri-captains Rich Lienneman, Bob Bagley, and Paul Starck pushed the team into a great homecoming victory for Luther. Along with their great achievements, Luther's varsity team challenged Taft. Give Luther's Wildcats a big hand!

Cross-Country

This year's team was the best in the school's history, the first team to qualify for State Sectionals. They were the National Lutheran Champs and won both levels in the PSL finals. The varsity set a national record for total team time at 3 miles in :79 min. 42 seconds. The team won ten trophies: individuals won 9 trophies, 34 medals, and over 100 ribbons. "It's Fun To Run."

Oktoberfest . . .

Frosh-Soph Football

Mr. Daley led the sophomore team to a fighting victory in the non-conference games, losing only one game out of five.

However, due to injuries outside the conference, and stronger opposition, the team managed to win only two out of the five conference games. But the sophs do show great potential for next years Varsity team. The freshman team showed good offense and defense, winning two, losing one.

Archery

. . . one of the more interesting independent studies in Physical Education has attracted many a modern-day Robin Hood.

Senior Class '74 has contributed a great deal to the community of Luther North. Having grown close during their four years together they have given of themselves to help make our school a "ministering community." Under the guidance offered here, they have developed into young Christian men and women. We wish them all luck and God's blessings in the future!

Junior year is a year full of work, but its result is always rewarding. There's the receiving of class rings, the pancake dinner and the junior dance with its closing effort, the junior-senior prom. Juniors enjoy their year as much as they can because they realize they'll soon be Seniors in a year full of decisions.

Student Council

Student Council of '74 contributed a spirit of help to the fast pace of Luther. They sponsored dances, checked lockers, reviewed the constitutions of all clubs and contributed a great deal of money to our anniversary fund.

- MISS BARBARA Kuk -
- President Student
Council

U. N. Representatives

In December of this year under the supervision of Miss Robbert, Chuck Asche, Barb Bornhauser, Mark Fobel, Janet Dahlin, and Shawn King participated in a mock U. N. session for high school students at Harvard University.

Blue And Gold

The 1974 Blue and Gold staff showed the student body their tremendous effort in their regular publications of the school newspaper.

Taco Fiesta

This year's taco fiesta was full of hot items. The Spanish Club, under the direction of Mrs. Doerr, sponsored the party.

Up The Down Staircase

The December production of the
Thespians' UP THE DOWN STAIRCASE
proved to have excellent casting. The
directors, Mr. Wallace and Ms.
Hoekstra, worked hard to make this
play the enjoyable entertainment that
it was.

Merry Christmas!

A strange sparkling spirit hung over Luther in December. It began with the Lady's Auxillary Christmas Boutique; rose among concerts and decorated halls and reached a joyful climax in fifteen inches of snow and a music assembly the day before vacation.

Sing We Noel

GLORY ACTION, this year's Christmas Concert presented by the choirs and Mr. Kaestner, tried to bring all those who attended the joy of Christmas. The first two sections brought the audience to look at what God has done for man. The third section presented the Christmas story itself. Finally, the choirs and all the attending alumni sang the Hallelujah Chorus. The concert brought a special meaning to Christmas for all who were there.

*It's Christmas
Time In The
City*

This year's freshman class has been confused and disorganized, but Dean Heideman states that in spite of their meandering thoughts, it was one of the most intelligent freshman classes in his time. They are striving to assert their independence.

Strikes, spares, loud crashes, and screams of agony as a bowler drops his ball on his foot. These are all part of this year's Bowling Club, composed of teachers and students who are bowlers at heart. The club went to Irving Park Lanes for relaxation and some fun after a hard day at school.

Scratch

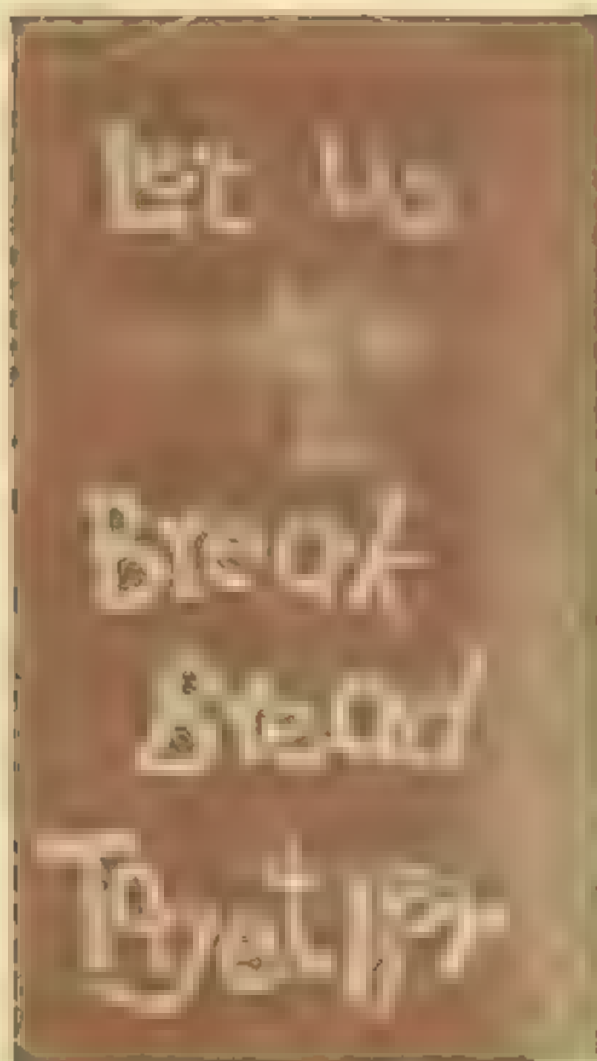

The Tnesplans second major production, *SCRATCH*, reflected the current interest in the supernatural. *SCRATCH* was the story of the Devil and Daniel Webster, who defended his right to his soul in an amazing trial. The actors were well "into" their characters and the result was a believable confrontation.

Time Out For Worship

This was a time of experimentation for Luther, with a new worship program designed by the religion department to give students a choice in their form of worship. The choices were Religious Assembly, Corporate Worship, Cell Groups.
